## CARLTON WINS PROFESSIONAL BEAUTY AWARD

The Carlton Group was the proud recipient of the Beauty/Spa Equipment Supplier of the Year Award at the Professional Beauty Awards 2008.

Customers for each of the nominated companies were encouraged to fill out an online survey, which highlighted areas such as customer service and product reliability. These answers were collated, with the winner chosen on the maximum number of points achieved from the survey.

Angela Barbagelata-Fabes, Chairman of The Carlton Group, commented,

“We are delighted to have won the Best Beauty/Spa Equipment Supplier award. It is the most fantastic feeling to know that our customers value the service that we offer and I would like to take this opportunity to thank all who voted for us. At Carlton we work as a team and this award reflects all the hard work of everyone in production, dispatch, export and sales. Without their efforts we wouldn't be able to give our customers the products and support that they need.”
